A day ...

!!...

In some ways,
a day passes really fast.

.....

How an ill body recovers
over a day is also somewhat of
a mystery.

The brightening horizon
indicates that another day is coming.

But over there ...

There hasn't been ...

Any indication of humanity ..

Mister !!

Mist-

Um... Here.

Aw, damn it !

You had me startled !

Haha...

No need to be surprised you know

Don't just sneak out like that !

You are not fully recovered yet ! Come down !

Haha... I am fine..

Get down here !

Yes, ma'am

I suppose it's been a while ..

When was the last time I slacked like this ..

And waiting for someone else's food ..

Refreshing ...

Good time to enjoy some music ..

Mister !

Hah! Imm. And after all this time, you're still the one-

?

What song is this ?

I noticed that you have a lot of old songs. Your tastes are unique.

Haha...

It's not that old. It's from 97..

They exist, I bet they'll never make it!
But just look at us holding on

I feel a huge wall between us whenever it comes to songs

I guess that's the difference in generation

...Yet

Well, anyway

They are good songs

You're still the one-

You're still the one-

The Isle

All done !

What do you know ...
It looks a lot better than
I expected.

Now ... the taste ?

munch

munch

Whoa ..., not bad ... !

You eat pretty loudly

Ah, Yes ^^;

Mister -

Yes..?

Do you like being referred as "mister" ?

Haha ... Of course, not

Should I call you oppa then?

Well, uh...

Sure, if you want ...

By the way, why do you keep using polite tone ?

You know I am just 21.

Hahaha..

I guess ... since that's how I started to speak to you.

Is that so - I was going to call you "oppa"

Fine, bu, that way.

Wait -

I do think we are close enough to demolish the wall

Um, mister-

Uh...

Haha, oppa. I mean

Mind telling me ?

What you did and how you ended up here.

Uh, well...

It's normal stuff. Why?

No, liar ....

You talk in slang often and I think you have a past

I do ?

What did I say ?

I don't know, like "Sir, yes sir"

Like "I am so sorry" and stuff

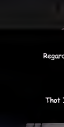
Sigh..

W well... if you don't want to tell me...

I was... unstuck in

I wonder why I told her.

Was it just the mood ?

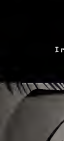


Regardless, it was the first time ...

That I ever told anyone my past.

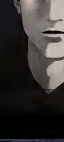
The past I wanted to bury.

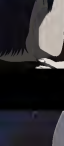
My shameful days...

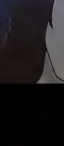


Which was exactly why -

I refused to tell anyone..

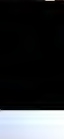




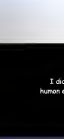


And that was ...

Strange ...



I didn't realize before that human emotions could explode like a nuclear bomb...

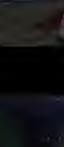


Well, so what ?

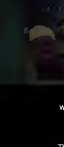
Why don't I go for it ?

There were only us two.

This was our world.



And ...



What I saw was ...

That was ...

yet more burden I'd have to carry on for the rest of my life ...

Oppa...?

I am sorry.

We shouldn't do this

Idiot...

Phew...

static ~

Static...

Hi, is there any survivors ? If so, please reply

This is
